

WHO ARE WE

At M.A.D. (Making A Dream) Krew Worldwide, Inc., a 501(c)3 organization, we believe that getting back to the basics of life is key to living a fulfilling, healthy existence. Our regenerative farming practices focus on improving soil health, enhancing biodiversity, and sequestering carbon. It is a holistic approach that supports healthy people and environments by producing nutrient-dense food while also reducing the negative impact of agriculture on the environment.

OUR PROGRAM

FARM UN-TILL WE GROW

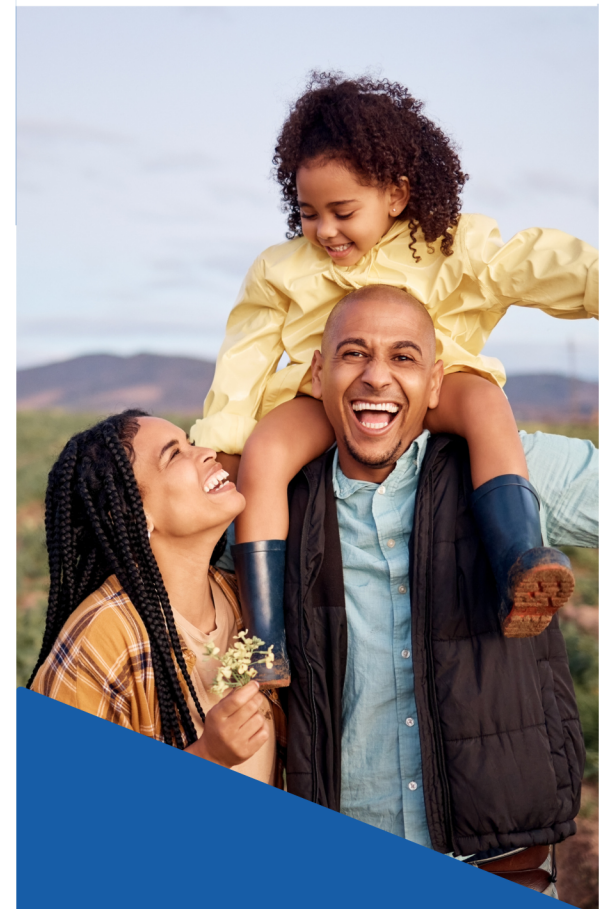

Are you a new farmer or looking to expand your agricultural endeavors? Mad Krew Worldwide, Inc. is a reliable resource for all your farming needs. We are dedicated to promoting sustainable farming practices and offer assistance for historically disadvantaged farmers. Our team provides sound advice on conventional farming practices and the importance of soil health. We also work with farmers to ensure that their efforts are sustainable and supported by the NRCS program. Contact us today to find out how we can help you start or grow your farm.

USDA is an equal opportunity provider, employer and lender.

"Agriculture is our wisest pursuit because it will in the end contribute most to real wealth, good morals, and happiness." - Thomas Jefferson

GROW YOUR FARM

GROW YOUR DREAM

Our Farmer's Information HUB

Once a month meeting inform farmers
of resource and programs available.
How to become eligible?

During these monthly meetings, farmers are provided with valuable information about the resources and programs that are available to support their work. They learn about various initiatives, funding opportunities, and training sessions that can help them improve their agricultural practices and increase their productivity. Additionally, these gatherings offer farmers the chance to connect with experts in the field and with other members of the farming community, creating a network of support and collaboration. By attending these meetings, farmers can also learn about the eligibility criteria for different programs and how they can take advantage of these opportunities to further develop their businesses and contribute to the sustainability of the agricultural sector.

"Sustainable agriculture is not just about growing crops, it's about caring for the soil, the water, the air, and all the living things that depend on them." - Vandana Shiva

We Welcome Veterans

WE'RE HERE TO SERVE YOU

As a veteran founded non-profit, our duty is to assist our fellow veterans succeed in their farming endeavors. Our organization understands the unique challenges that veterans face when transitioning to a career in agriculture, and we are dedicated to providing them with the support they need to thrive. From demonstrating sustainability practices to understanding financial resources, we are here to guide veterans every step of the way. Our goal is to ensure that those who have served our country have access to the tools and resources necessary to build successful and fulfilling careers in the agricultural industry.

JOIN OUR NETWORK OF FARMERS

With unity and collaboration, we can achieve great things. Each farmer in our network brings unique skills, knowledge, and experience to the table. By working together, supporting each other, and sharing resources, we can cultivate a thriving community and ensure collective success. Let's nurture our network like we nurture our crops and livestock, with care, dedication, and the understanding that together, we are stronger. Let's sow the seeds of cooperation and reap the bountiful harvest of our combined efforts.
